Parent / Guardian Media Release

DRAFT FOR ATTORNEY AND SCHOOL REVIEW. NOT YET APPROVED FOR USE. Confirm the final legal entity, specific distribution uses, retention and withdrawal procedures before collecting signatures.

Purpose

This proposed form requests permission for a school to record a minor participating in Flying House Games educational activities and, only if separately authorized below, to submit the recording for possible editing, publication and promotion by Flying House Games.

Recording and participation

I authorize the school identified below to photograph or record my child in the described activity. Participation in recording and any external publication should be voluntary, subject to school policy.

Select permission scope

[ ] School-internal educational use only (no external submission or publication).
[ ] School may submit recordings to Flying House Games for private review only.
[ ] School may submit recordings for potential public use by Flying House Games on its website, social channels and promotional materials, subject to the final approved media agreement and school procedures.

Important conditions

No public use is authorized by this draft alone. A finalized release must state permitted uses, duration, geography, editing rights, third-party distribution, compensation if any, and a clear process for future withdrawal requests and limitations on withdrawal after publication. The school must confirm applicable student-record and privacy obligations.

Wristband and records

A visible approved wristband is required for video submission. Red, missing or obscured wristbands result in rejection. Wristbands do not replace this signed consent. The school retains the signed form securely.

Required information and signatures

Student full name _____

School / program _____

Activity and approximate recording date _____

Parent or legal guardian name _____

Parent or legal guardian signature _____

Date signed _____

School representative receiving form _____

Do not submit completed forms through the public website. Schools should securely retain signed records under their approved retention policy.
